

A PLACE TO BELONG THROUGH MUSIC

A FREE WEEKLY CHOIR IN BRISBANE FOR ADULTS LIVING WITH A MENTAL ILLNESS

The Brisbane Upbeat Arts Choir is a welcoming space where adults living with a mental illness come together to sing, make new friends, and enjoy being part of a community.

There are no auditions and you don't need to know how to sing. We have incredible staff and choir buddies to support you to join in, and no one sings solo. Come as you are and take part in your own way. We share a meal after each rehearsal.

Members tell us choir is a safe, welcoming and uplifting place where they feel they belong, feel less alone, and grow in confidence over time.

“Choir helped me remember what happiness used to feel like and that perhaps I might be able to feel it again. Choir gives me hope. I don't feel so lonely and I belong to something.”
